Dear Sophie Kartzman,

Please find enclosed, eighty-five holiday cards for the men and women serving abroad. The students of Polk Street Elementary School in Franklin Square extend their appreciation to these soldiers and thank them for their service.

The principals, administrators, faculty, and students as well as the people of the Twenty-second Assembly District, all commend you for what you have done to impart joy and happiness to our troops this holiday season. These soldiers risk their lives to fight for our freedoms, and deserve our utmost respect and care. Please continue to pursue your dreams, there is no limit to what you can do.

Sincerely,
